The map displays a residential area with a central road labeled 'Zuidbroekse Opweg'. To the right, a canal is labeled 'Zuidbroek'. The map is overlaid with numerous green circles of varying sizes, each containing a number from 1 to 71. These circles represent individual trees. The circles are color-coded based on their condition: dark green for 'Goed' (Good), light green for 'Voldoende' (Sufficient), yellow for 'Onvoldoende' (Insufficient), and red for 'Slecht' (Poor). Some circles also have a small colored dot inside, representing the 'Boomcijfer' (Tree Score) from 1 to 5. The map also shows building footprints in grey, some labeled with numbers like 28, 177, 179, 154, and 152/152a. A scale bar at the bottom right indicates distances of 0, 30, and 60 meters. A north arrow is located at the bottom right corner.
